01 / ABOUT ME

Hi, I'm Rima!

I'm a Saudi-based UGC creator specializing in **beauty, skincare, and lifestyle content**.

I create aesthetic, natural, and engaging content that makes products feel like a part of everyday life — from simple product moments to lifestyle routines and satisfying close-ups.

My style is **faceless, visual, and detail-focused**, with an emphasis on clean compositions, natural storytelling, and content that feels authentic rather than overly scripted.

I love turning everyday products into beautiful stories that help brands connect with their audience.
